DEMOCRATIC TICKET.

---For Congress----HON. A. O. STANLEY, HENDERSON, COUNTY.

The Weather.

Probably fair and continued cold Thursday.

Hon. A. O. Stanley has been nominated for the fourth term without opposition. Indications are that his Republican opponent will be John C. Worsham, also of Henderson.

The Senate by a vote of 50 to 23, defeated the amendment to the naval appropriation bill for four battleships. After defeating the amendment the House bill was passed.

Ab Rhea, of Russellville, a brother of John S. Rhea, is a Democratic candidate for Congress in the third District. Robt. Y. Thomas, a brother-law of Ollie James, is also a candidate for the nomination.

The list of dead from the tornado which swept through the South now numbers 325, and it is probable that many of the 200 seriously injured will not recover. Relief work is being begun with energy, but the condition of the roads makes this difficult. Several towns are without a sufficient supply of food.

Raisuli, the Moroccan bandit, was not killed from ambush as was reported.

After all, soldiers are in Trigg county, ready to co-operate with the Sheriff in making arrests upon warrants sworn out before County Judge Bingham. The Trigg county officers will no doubt find that the soldiers will be of great assistance to them in handling the law-breakers.

CASTORIA. The Kind You Have Always Bough Bears the

Death of Mrs. Royster.

Mrs. George Royster died Monday at her home near Kennedy after a lingering illness of about eighteen months: Mrs. Royster would have been 70 years old May 23, and was a member of Salem Baptist church, when 18 years old. She was the daughter of Rev. Elisha Vaughn, who was one of the pioneer Baptist preachers of Southern Kentucky. One son, E. W. Royster, and one brother survive the deceased.

Hot Stove-Cool Kitchen

How do you expect to endure the broiling days of summer if you prepare all the food over a glowing coal

You need a "New Perfection" Oil Stove that will do the cooking without cooking the cook. It concentrates plenty of heat under the pot and diffuses little or none through the room. Therefore, when working with the

Wick Blue Flame Oil Cook-Stove

the kitchen actually seems as comfortable as you could wish it to be.

This, in itself, is wonderful, but, more than that, the "New Perfection" Oil Stove does perfectly everything that any stove can do. It is an ideal all-round cook-stove. Made in three sizes, and fully warranted. If not with your dealer, write our nearest agency.

Lamp

a substantial, strong-ly made and handsome lamp. Burns for hours with a strong, mellow light. Just what you need for evening reading or to light the dining-room. If not with your dealer, write our nearest agency. STANDARD OIL COMPANY
